

Constant Contact

by Abreeze Technology

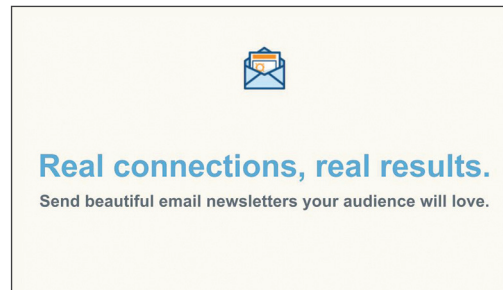

Finally! Automate your email marketing with Clover data! Send your customers automatic thank you emails, coupons, and much much more!

We're happy to announce that Abreeze Technology has partnered with Constant Contact, the leading provider of email marketing tools, to help you to stay in touch with customers to sell more, grow your customer base, and increase your bottom line! Abreeze Link includes everything you need to get started, including a free Constant Contact trial account!

Email marketing is good for your business.

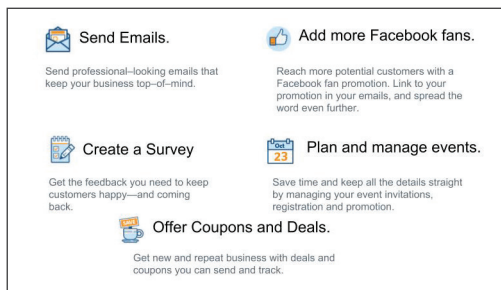

Contacts are sent from Clover to your Constant Contact account, so you can automatically communicate and bring them back for more!

Real connections, real results.

Send beautiful email newsletters your audience will love.

Abreeze Link's features allow you to segment your lists so the right message reaches the right customer

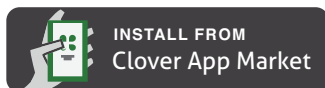

There's more than just email marketing, you get a complete business marketing toolkit, including event planning & social media

What Constant Contact provides:

- World-class coaching and support from an award winning team

You even get an expert who will help walk you through setting up your account, campaigns, tracking success, and improving!
