

Fortune Cookie

by AbreezeTechnology

Fortune Cookie by Abreeze Technology puts some fun into your receipts AND positive thoughts into your customers' minds! Your customers' receipts will contain fun fortunes just like a fortune cookie!

Your receipts will no longer be simply a reminder of how much they spent, instead the positive inspirational fortunes become a positive part of the purchase experience. Your customers will associate your business with the fun of a fortune cookie!

Fortunes rotate throughout the day so that there is plenty of variety for different customers

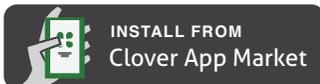

It is very easy, just install the app and your receipts will instantly contain fun fortunes!

Our curated list of fortunes are always fun, positive and inspiring

Customers will be enticed to return again to get another fortune!
