

Order More Paper

by Abreeze Technology

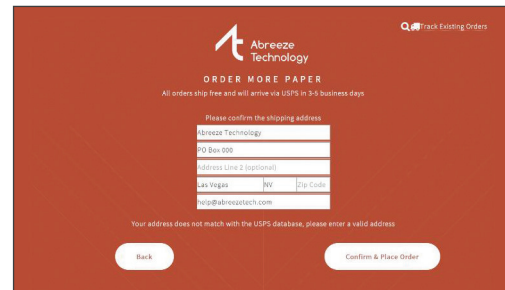

Introducing the easiest way to order paper for your Clover device!

Order More Paper takes all of the pain points out of ordering paper for your POS and makes it a simple 2-step process. All orders are shipped from our centrally-located warehouse and arrive in 3-5 business days via USPS.

Step 1- Select the Clover device for which you would like to order paper

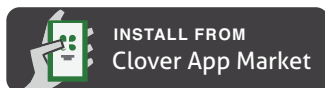

Step 2- Confirm your address and email address which are pre-filled with your Clover information

That's it, there isn't even a step three! We will bill your Clover account for the price of the paper

We even instantly issue a tracking number so you can track the USPS package right away
